

Name : Ir. Ts. Hajah Hazlina Binti Yon

Designation : Director General of the Department of Occupational Safety and Health Malaysia (DOSH), Ministry of Human Resource.

email: hazlina@mohr.gov.my or jkkp.kp@mohr.gov.my

Ir. Ts. Hajah Hazlina binti Yon is the Director General of the Department of Occupational Safety and Health (DOSH) Malaysia. She holds a Bachelor of Chemical Engineering (Hons.) from the University of New South Wales, Australia, and a Master of Science in Occupational Safety and Health from Universiti Sains Malaysia. She is a Professional Engineer (Ir.) and Professional Technologist (Ts.) with more than **31 years of experience** in occupational safety and health (OSH).

Throughout her career, she has held various leadership positions within DOSH, including Director of DOSH Kedah, Director of the Chemical Management Division, Director of DOSH Selangor, and currently serves as the Director General. Her expertise covers chemical safety and health, industrial hygiene, process safety, hazardous chemical management, occupational health, and OSH policy and regulatory development.

Ir. Ts. Hajah Hazlina has actively contributed to the development of national OSH legislation, guidelines, and competency frameworks, while chairing numerous technical committees related to chemical safety, industrial hygiene, and occupational health. She is also a frequent keynote speaker and presenter at national and international conferences and has represented Malaysia in various regional and global forums on chemical safety and occupational safety and health.

She has authored and co-authored several technical papers and journal publications on chemical management, industrial hygiene, and occupational safety and health. In recognition of her contributions, she has received multiple Excellent Service Awards, professional recognitions, and national appointments, reflecting her commitment to advancing a safer and healthier working environment in Malaysia.
